

DOING BUSINESS WITH

MACDILL

& U.S. SPECIAL OPERATIONS COMMAND

MacDill Air Force Base is Tampa's city within a city – providing more than 13,000 jobs to the Tampa Bay area. There are more than \$8 billion in capital assets on base and more than 5 million square feet of facilities. With such an extensive infrastructure, MacDill often relies on outside contractors to keep the base in top shape. Come hear directly from base executives about their needs and step-by-step instructions to get your company connected with MacDill.

FEATURED SPEAKERS:

Lt. Colonel George Sheers, *6th Contracting Squadron Commander, MacDill Air Force Base*
Mr. Nelson Escribano, *Small Business Specialist, MacDill Air Force Base*
Mr. Christopher Harrington, *Director of Small Business, U.S. Special Operations Command*

BREAKOUT SESSIONS TO INCLUDE:

- Introductory sessions for businesses seeking relationships with MacDill units
- Information Technology and Proposal Writing Discussions
- Commanders from JCSE and the 927th Air Refueling Wing
- Q&A with Seasoned Contractors for SOCOM and CENTCOM
- The Iron Man suit and SOCOM's future projects
- Small Group "Ask Anything" Sessions with MacDill Contracting Specialist

Targeted goods & services: All goods and service sectors are invited to attend, but some of MacDill's targeted industries include Facilities Management, Engineering, Information Technology, Construction, Environmental, Hardware, Software, Security, Intelligence, Medical requirements and/or any subcategory or discipline of the aforementioned.
